

## **Project Detail Form**

**Instruction:** Fill in this form. Make sure that the data in your home page is accurate and consistent here.

Semester:	Fall 2014																							
TeamNo:	01																							
Project Name:	We Are Trojan (WAT) Network																							
Project Description:	"We Are Trojans (WAT) Network" is an online collaboration platform																							
Client:	Matthew Wong, Linda Suen																							
Project Domain: (Choose one)	<table><tr><td><input type="radio"/> Activity monitoring and control</td><td><input type="radio"/> Automated reference services</td></tr><tr><td><input type="radio"/> Case Tool</td><td><input type="radio"/> COTS package extension</td></tr><tr><td><input type="radio"/> Data Analysis</td><td><input type="radio"/> Data migration</td></tr><tr><td><input type="radio"/> Distributed borrowing</td><td><input type="radio"/> Feasibility Study</td></tr><tr><td><input checked="" type="radio"/> Interactive communication</td><td><input type="radio"/> Multimedia archive</td></tr><tr><td><input type="radio"/> Process Management Tools</td><td><input type="radio"/> Selective dissemination of information</td></tr><tr><td><input type="radio"/> Simulation</td><td><input type="radio"/> Virtual access to special collection</td></tr><tr><td><input type="radio"/> Unknown</td><td></td></tr><tr><td><input type="radio"/> Other: _____</td><td></td></tr></table>		<input type="radio"/> Activity monitoring and control	<input type="radio"/> Automated reference services	<input type="radio"/> Case Tool	<input type="radio"/> COTS package extension	<input type="radio"/> Data Analysis	<input type="radio"/> Data migration	<input type="radio"/> Distributed borrowing	<input type="radio"/> Feasibility Study	<input checked="" type="radio"/> Interactive communication	<input type="radio"/> Multimedia archive	<input type="radio"/> Process Management Tools	<input type="radio"/> Selective dissemination of information	<input type="radio"/> Simulation	<input type="radio"/> Virtual access to special collection	<input type="radio"/> Unknown		<input type="radio"/> Other: _____					
<input type="radio"/> Activity monitoring and control	<input type="radio"/> Automated reference services																							
<input type="radio"/> Case Tool	<input type="radio"/> COTS package extension																							
<input type="radio"/> Data Analysis	<input type="radio"/> Data migration																							
<input type="radio"/> Distributed borrowing	<input type="radio"/> Feasibility Study																							
<input checked="" type="radio"/> Interactive communication	<input type="radio"/> Multimedia archive																							
<input type="radio"/> Process Management Tools	<input type="radio"/> Selective dissemination of information																							
<input type="radio"/> Simulation	<input type="radio"/> Virtual access to special collection																							
<input type="radio"/> Unknown																								
<input type="radio"/> Other: _____																								
Project Type: (Choose all that apply)	<table><tr><td><input type="radio"/> NDI/NCS</td><td><input type="radio"/> NDI/NCS Acquisition</td></tr><tr><td><input type="radio"/> NDI Extension</td><td><input type="radio"/> NDI/NCS Integration</td></tr><tr><td><input type="radio"/> Database</td><td><input type="radio"/> Desktop Application</td></tr><tr><td><input type="radio"/> Feasibility Study</td><td><input type="radio"/> GUI</td></tr><tr><td><input type="radio"/> Image Search</td><td><input type="radio"/> Market Research</td></tr><tr><td><input type="radio"/> Middleware</td><td><input type="radio"/> Multimedia</td></tr><tr><td><input type="radio"/> Simulation</td><td><input type="radio"/> Social Networking Tool</td></tr><tr><td><input checked="" type="radio"/> Social Networking Website</td><td><input type="radio"/> User Interface</td></tr><tr><td><input type="radio"/> Virtual Reality</td><td><input checked="" type="radio"/> Web Based</td></tr><tr><td><input type="radio"/> Web Services</td><td><input type="radio"/> Unknown</td></tr><tr><td><input checked="" type="radio"/> Other: <u>Interactive Network Community</u></td><td></td></tr></table>		<input type="radio"/> NDI/NCS	<input type="radio"/> NDI/NCS Acquisition	<input type="radio"/> NDI Extension	<input type="radio"/> NDI/NCS Integration	<input type="radio"/> Database	<input type="radio"/> Desktop Application	<input type="radio"/> Feasibility Study	<input type="radio"/> GUI	<input type="radio"/> Image Search	<input type="radio"/> Market Research	<input type="radio"/> Middleware	<input type="radio"/> Multimedia	<input type="radio"/> Simulation	<input type="radio"/> Social Networking Tool	<input checked="" type="radio"/> Social Networking Website	<input type="radio"/> User Interface	<input type="radio"/> Virtual Reality	<input checked="" type="radio"/> Web Based	<input type="radio"/> Web Services	<input type="radio"/> Unknown	<input checked="" type="radio"/> Other: <u>Interactive Network Community</u>	
<input type="radio"/> NDI/NCS	<input type="radio"/> NDI/NCS Acquisition																							
<input type="radio"/> NDI Extension	<input type="radio"/> NDI/NCS Integration																							
<input type="radio"/> Database	<input type="radio"/> Desktop Application																							
<input type="radio"/> Feasibility Study	<input type="radio"/> GUI																							
<input type="radio"/> Image Search	<input type="radio"/> Market Research																							
<input type="radio"/> Middleware	<input type="radio"/> Multimedia																							
<input type="radio"/> Simulation	<input type="radio"/> Social Networking Tool																							
<input checked="" type="radio"/> Social Networking Website	<input type="radio"/> User Interface																							
<input type="radio"/> Virtual Reality	<input checked="" type="radio"/> Web Based																							
<input type="radio"/> Web Services	<input type="radio"/> Unknown																							
<input checked="" type="radio"/> Other: <u>Interactive Network Community</u>																								
Special Case: (Choose all that apply)	<table><tr><td><input type="radio"/> NDI/NCS assessment project</td><td><input type="radio"/> System Integration Project</td></tr><tr><td><input type="radio"/> Market Research project</td><td><input type="radio"/> One-semester project</td></tr><tr><td><input type="radio"/> Web Services Assessment project</td><td></td></tr><tr><td><input type="radio"/> Other: _____</td><td></td></tr></table>		<input type="radio"/> NDI/NCS assessment project	<input type="radio"/> System Integration Project	<input type="radio"/> Market Research project	<input type="radio"/> One-semester project	<input type="radio"/> Web Services Assessment project		<input type="radio"/> Other: _____															
<input type="radio"/> NDI/NCS assessment project	<input type="radio"/> System Integration Project																							
<input type="radio"/> Market Research project	<input type="radio"/> One-semester project																							
<input type="radio"/> Web Services Assessment project																								
<input type="radio"/> Other: _____
